# STEP 6: Advanced Search Options

The screenshot shows the DigiLib website interface. At the top, there is a search bar with the text "Search" and a magnifying glass icon. To the right of the search bar are links for "HELP" and a user profile icon. Below the search bar is a navigation bar with links: "HOME | ABOUT | CONTACT | MY LIST (1) | WELCOME KANCHAN". The main content area is divided into two sections. On the left, under the heading "Explore", there is a paragraph about the IIC Library's collections, including "India Collections", "Himalayan Club Collection", and "Walter Skyes George Collection". A "More" button is located below this text. On the right, there is a large image of a pond with lily pads. A "Help" popup window is overlaid on the right side of the page. The popup has a title "Help" and a close button (X) in the top right corner. The text inside the popup explains how to perform advanced searches and lists basic operators for refining searches.

**Help**

You can perform **Advanced Searches** from this box.  
By default, this search box looks for content in which any of the supplied terms match.

The basic operators for refining your search are +, -, and ".

- To indicate that a term must appear in the search result, prepend a plus-sign (+) to the term.  
**Example:**  
+Mahatma +Gandhi
- To indicate that a term must not appear in the search result, prepend a minus-sign (-) to the term.  
**Example:**  
Mahatma -Gandhi
- To search for an exact phrase, surround it with quotes (").  
**Example:**  
"Mahatma Gandhi"
- The combination of these operators can be used to refine your search result.  
**Example:**  
"Mahatma Gandhi" -India
